## A message from the Zone Administrator

**Ato Example Name**
Zone Administrator

"

Welcome to South Omo, a land of rivers, rich soil and some of the most remarkable living cultures on Earth.

Our zone is open for responsible investment. Our woredas offer fertile irrigable land, a young workforce and a government committed to making business simple, fast and fair.

We invite investors, tour operators and development partners to explore our opportunities and grow together with our communities.

▶ Watch the full video message on our website.

## How to invest

1. **Explore**
   Browse opportunities by woreda and sector on our website.
2. **Enquire**
   Contact the zone investment desk with your project idea.
